

ORIENTATION PROGRAM (2023-2026)

The post graduate students were inducted to the PG program by the Head of the institution Dr P Karunakar in the presence of Head of the departments. The orientation was conducted at the college auditorium. The program was attended by 41 PGs of all the departments. There were a total of eight lectures delivered by faculties giving the gist of PG curriculum ranging from basics, literature search, presentation at the department and national level conferences, method of selection of thesis topic, ethics and etiquette to be followed with patients, teachers, colleagues and helpers of the hospital. Due to the COVID pandemic, strict COVID 19 sanitization protocols were followed with wearing of masks, social distancing and sterilization of the hall were made mandatory. The feedback obtained from attendees was satisfactory. The program sheet is enclosed.
