

# CDE PROGRAMME

A Continuing Dental Education (CDE) programme was held on 16th December 2024, under the guidance of Principal Dr. P. Karunakar. The event commenced with the ceremonial lighting of the lamp by **Dr. P. Karunakar**, accompanied by Heads of Departments from various specialties. The programme featured two engaging lectures: **Dr. Vandana James** presented on "**Simplified Endodontics**," discussing tooth anatomy, access opening guidelines, and preparation techniques, while **Dr. Abdul Wahed** spoke on "**Magnification in Endodontics**," highlighting the basics of magnification, various types of loupes, and their relevance in dental practice. Interns and postgraduates from Public Health Dentistry, Pedodontics, and Conservative Dentistry departments actively participated in the event.

Following the lectures, a hands-on session was conducted after lunch, focusing on magnification and rotary endodontics. **Dr. Vandana James** demonstrated techniques for access openings, biomechanical preparation, and the application of rotary files, while **Dr. Abdul Wahed** provided practical training in access cavity preparation, ultrasonic applications, and microscope-assisted procedures. The programme concluded with a felicitation ceremony, where certificates of appreciation were presented to **Dr. Vandana James** and **Dr. Abdul Wahed**, followed by a vote of thanks from **Dr. Ranga Reddy**, expressing gratitude to the speakers and attendees for their active involvement.
