

# CDE PROGRAMME

A Continuing Dental Education (CDE) Programme was held on February 12, 2025, under the guidance of Principal Dr. P. Karunakar. The programme featured an engaging lecture by **Dr. Shaik Shafe Khalid** on "Efficient Esthetics with Direct Composite Restorations." His presentation covered shade selection, key factors, and techniques for achieving optimal composite restorations in clinical practice. Interns and postgraduates from the Department of Conservative Dentistry actively participated in the event. Following the lecture, a hands-on session was conducted post-lunch, focusing on polychromatic layering techniques for highly esthetic anterior restorations and deep posterior restorations. Participants received in-depth training on advanced composite restoration techniques.

The programme concluded with a felicitation ceremony, where Dr. Shaik Shafe Khalid was presented with a certificate of appreciation. Dr. Ranga Reddy delivered the vote of thanks, expressing gratitude to the speakers and attendees for their enthusiastic participation
