

# 13 ISP COLLOQUIUM

## ISP STUDY GROUP HYDERABAD

The 13th Indian Society of Periodontology (ISP) Colloquium 2025 was successfully organized by the ISP Study Group Hyderabad, under the leadership of Dr. Veerendranath Reddy, President, ISP Study Group Hyderabad. The event took place on February 24th, 2025, at Panineeya Institute of Dental Sciences and Research Centre, Hyderabad. The colloquium served as a platform for the exchange of knowledge, advancements, and discussions in the field of periodontology, drawing distinguished periodontists, postgraduate students, and esteemed dignitaries from across Telangana, with an attendance of approximately 150 dental professionals.

### Distinguished Guests and Dignitaries

The event was graced by the presence of several eminent personalities from the dental fraternity and academia, including:

Chief Guest: **Dr. Harpreet Singh Grover, President, ISP**

Guest of Honour: **Dr. Ashish Jain, Secretary, ISP**

Special Guests: **Mr. Gagandeep Kohli, Chairman, Guru Nanak Institutions**  
and **Dr. Karunakar, Principal, Panineeya Institute of Dental Sciences and Research Centre**

### EVENT PROCEEDINGS

The colloquium commenced with a special introductory speech by the distinguished and renowned periodontist Dr. Jayakumar, who emphasized the importance of continued learning and collaboration in the field of periodontology. His inspiring address set the tone for an engaging and informative academic session.

## SCIENTIFIC SESSIONS

The scientific sessions provided attendees with an in-depth understanding of crucial topics related to peri-implant diseases and advanced implantology techniques. The key sessions included:

### Lecture by Dr. Harpreet Singh Grover: Peri-implantitis – A Story Told

Dr. Grover discussed the clinical aspects of peri-implantitis, its etiology, and the various treatment modalities available to manage this challenging condition. His lecture provided valuable insights into the current evidence-based approaches in peri-implant disease management.

### Lecture by Dr. Ashish Jain: Peri-implantitis – A Story Untold

Dr. Jain delved into the lesser-explored aspects of peri-implantitis, highlighting the emerging research, the role of the immune response, and the importance of early diagnosis and prevention strategies. His lecture encouraged clinicians to adopt a proactive approach to implant maintenance.

### Guest Lecture by Dr. Busi Vamsidhar (OMFS): Third Cortex – Use of Pterygoid Implants in Full Mouth Rehabilitation

Sponsored by **Bioline Implants**, this session focused on the application of pterygoid implants in full-mouth rehabilitation cases. **Dr. Vamsidhar** elaborated on the biomechanical considerations, surgical techniques, and long-term success rates of using pterygoid implants, providing attendees with a comprehensive understanding of this advanced treatment option.

## FELICITATION CEREMONY

Following the enlightening lectures, a felicitation ceremony was held to honor the esteemed speakers **Dr. Harpreet Singh Grover, Dr. Ashish Jain, and Dr. Busi Vamsidhar** for their invaluable contributions to the field of periodontology and implantology. Their dedication to education and research was highly appreciated by the attendees.

## HANDS-ON SESSION

Post-lunch, an engaging and highly informative hands-on session on pterygoid implants was conducted by Dr. Vamsidhar. Participants had the opportunity to gain practical experience in advanced implantology techniques, learning about the surgical placement, indications, and benefits of pterygoid implants. The session provided a valuable skill enhancement opportunity for postgraduate students and practitioners alike.

The 13th ISP Colloquium 2025 was a resounding success, fostering academic discussions, skill enhancement, and professional networking among periodontists, postgraduate students, and industry experts. The event highlighted the latest advancements in periodontology and implantology, encouraging evidence-based clinical practice and interdisciplinary collaboration.

The ISP Study Group Hyderabad extends its sincere gratitude to all the dignitaries, speakers, participants, and sponsors for their invaluable contributions in making this event a memorable and impactful gathering. With a strong emphasis on knowledge sharing and innovation, the colloquium once again reinforced the commitment of the ISP towards advancing the field of periodontology.
