

DEPARTMENT OF PROSTHODONTICS

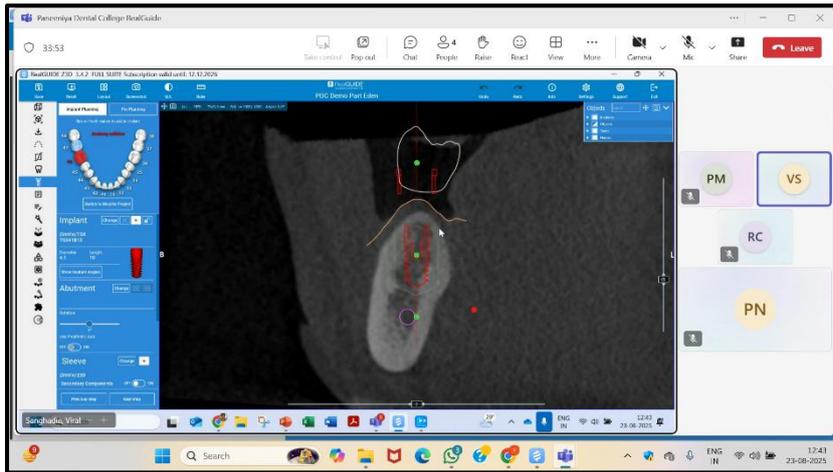

REALGUIDE™ YOUR IMPLANTS – HANDS ON WORKSHOP – 23-8-2025

The Department Of Prosthodontics organized a HANDS ON WORKSHOP on **REALGUIDE** – a revolutionary software for surgical guide design to plan and execute dental implant procedures with precision. The programme was conducted in association with **ZIMVIE INSTITUTE**. The programme was attended by post graduate students of Prosthodontics, Periodontics and Oral and Maxillofacial Surgery.

PROGRAM MENTOR :

Dr. Viral Sanghadia is a skilled dental surgeon with an extensive clinical experience. He currently serves as Associate Manager – Medical Education for ZimVie India and is engaged in organizing and conducting RealGuide software trainings to clinicians, educational institutes and DSOs. He has received extensive training with the RealGuide software and his teaching methods have sparked curiosity and interests among clinicians to adapt to digital dentistry.

HANDS ON BY POST GRADUATE STUDENTS
