

PG ORIENTATION PROGRAM (2025-2028)

The post graduate students were introduced to the PG program by the Head of the institution Dr P Karunakar in the presence of Head of the Departments. A two-day orientation program was conducted at the college CDE hall on 24th and 25th September 2025. The program was attended by 40 PGs of all the Departments. There was a total of seven lectures delivered by faculty giving the gist of PG curriculum ranging from basics, literature search, presentation at the Department and national level conferences, method of selection of thesis topic, ethics and etiquette to be followed with patients, teachers, colleagues and helpers of the hospital.
