

## **NATIONAL ORAL MEDICINE AND RADIOLOGY DAY-** **2026**

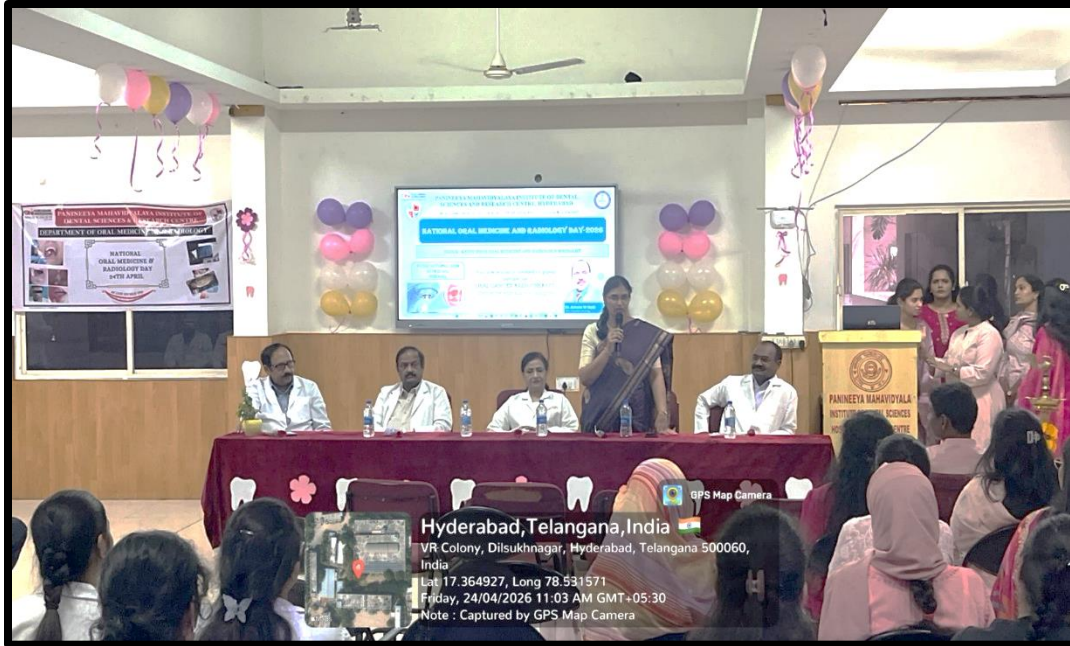

On the occasion of National Oral Medicine and Radiology Day, on 24th April, the Department of Oral Medicine and Radiology, Panineeya Mahavidyalaya Institute of Dental Sciences, organized a series of academic and co-curricular activities to mark the event. Poster and Instagram reel competitions were conducted to encourage student participation and creativity.

An outreach program was conducted by the postgraduate students on 20th April 2026 under the theme **“Know Your Oral Medicine and Radiology Specialist,”** focusing on educating patients about oral potentially malignant disorders, with emphasis on early signs, risk factors, and the importance of timely diagnosis and treatment.

The event also included inviting the Principal, Dr. P. Karunakar, Heads of various departments, post graduate students of oral maxillo facial surgery ,oral pathology, interns and under graduate students to celebrate the occasion, followed by a cake cutting ceremony and prize distribution for the winners. This was followed by a guest lecture delivered as part of the Continuing Dental Education (CDE) program on the topic **“Oral Cancer Radiotherapy – Overview with Clinical Insights.”** By **DR. ASHWIN M. SHAH**

**CELEBRATIONS HELD IN CDE HALL IN THE PRESENCE OF RESPECTED PRINCIPAL SIR AND ALL THE HEAD OF DEPARTMENTS**
