

NATIONAL ORTHODONTIST DAY

National Orthodontist Day is celebrated in India every year on October 5. This date marks the foundation day of the Indian Orthodontic Society (IOS), which was established on October 5, 1965, by seven pioneering founding members.

The Department of Orthodontics, PMVIDS & RC celebrated the day by conducting orthodontic awareness programs like quiz, face painting and best smile on social media competitions. The occasion was made more memorable by the felicitation of **Dr. G. Chandra Sekhar** our past Head of Department on receiving prestigious “**Dr. A. V. Arun Outstanding Professor Award**”.
