EVENT REPORT

INTERNATIONAL DAY OF RADIOLOGY – 8 NOVEMBER 2026

DEPARTMENT OF ORAL MEDICINE & RADIOLOGY

The Department of Oral Medicine and Radiology celebrated International Radiology Day on November 10th with an insightful guest lecture and celebratory events. The main attraction of the day was a guest lecture by Dr. Kiran Kumar Annamraju, MBBS, MD Radiation Oncology, from Kamineni Hospitals, LB Nagar, who delivered an enriching presentation on "Advances in Radiation Oncology", providing attendees with key insights into applications of modern radiation oncology practices.
